Offered for sale is this very unique property. With two entrances, one leading into the kitchen, and the other leading into the lounge, and these two areas separated by a lovely internal courtyard and a downstairs bathroom. The lounge area has stairs leading up to the bedroom area, with three large bedrooms and family bathroom. To the outside, there is a large bodega, with open courtyard area, containing the old wine storage, now converted into a splash pool. This bodega could be converted into a large walled courtyard, or the roof could be maintained to keep it as a storage area, although the property does come with an additional garage for storage. The house itself benefits from high beamed ceilings, a full roof repair (2017) and sympathetic restoration, including central heating and air conditioning. Furniture is available by negotiation, so this really could be the perfect rural retreat, in a friendly hamlet, as the outdoor space is perfectly manageable.

Yecla town itself has a variety of shops, friendly bars, and lovely restaurants, plenty of supermarkets to choose from and good schools. Doctors are local and hospital 1 minute walk from the Doctors, so all amenities are near by. There are 2 daily food markets in Yecla and a weekly market on Wednesdays. Yecla also is famous for furniture manufacturing and has a huge amount of furniture shops stretching on both sides of a 2 mile long road, you are spoilt for choice, it's a rich town because of the high employment furniture industry.
