✓ Mains Water
✓ Walking Distance To Town
✓ Walking Distance - Restaurant / Bar

We are proud to offer this lovely plot of land with great views, and only a short walk to the village of Salinas. With water on site, and electricity very close (waiting on quotes for installation), this is an ideal investment for your new home

In Salinas, you can build up to 2% of the land size, per floor (up to 2 floors), so this would be large enough for a 620m2 property.
