Miró is a modern, bright, and spacious design house with 169m². It has 4 bedrooms and it is divided into double height.

Master bedroom with dressing room. Study-Office. Plots from 370 square meters.

The Villas are built independently, thus obtaining a high level of privacy in the home. It is designed in a sustainable way with the latest technologies, security measures and habitability in addition to all the tools to reduce the environmental impact. In this way, it provides a high degree of energy savings.

The construction is carried out on a 370 m² plot, it has a large American kitchen integrated into a large 60m² living room and dining area, 1 bedroom on the ground floor with ensuite bathroom and walk through wardrobe, and 3 bedrooms on the first floor, one with ensuite bathroom and a family bathroom. There is the additional possibility of building a private pool on the plot.
