We are proud to offer for sale, this lovely property in Pinoso, registered as a property on the catastral. Originally a park home, but now with an outer skin added to the whole building, making it a much more substantial construction. You enter through the kitchen area, into a large lounge. This in turn leads into a corridor with a bathroom, and space for a further bedroom or dining area. This leads into the two bedrooms, facing into the town.

The property has amazing views from it, and sits above the town, which is around 2km away, so walkable.
