Country house with cave in urban area.

In the main part there is a big house with all the possible comforts and a big, closed living room with a chimney. From the lounge you have access to the kitchen and the main rooms as well as a large bathroom. At the back there is a large patio with a laundry room and an entrance to the cave house with its rooms. In the restored cave house you have a kitchen, bedrooms,...etc. as well as a fireplace.

Outside you have a large swimming pool with a water purifier and a small garden.

Next to the garden there is a large garage for several cars and an entrance to a guest house with kitchen.

The house is next to the access road to the quarry but there is a truck detour already under construction (to be finished).

You have large spaces to live and enjoy with your friends, family, in Alicante near Pinoso, Hondon, la Romana,. etc.
