We are proud to offer this lovely townhouse in Salinas.

Whilst it would benefit from modernisation, this deceptively large home has an outside space as well as a terrace on the first floor, so, plenty of opportunity to soak up that sun!

The house benefits from 5 bedrooms and 2 bathrooms, as well as a large landing space on the first floor. The house does have bedrooms on the ground floor, so ideal for those family members who struggle with stairs. With a large kitchen on the ground floor, this has the potential to be an amazing home, right in the heart of the town. Salinas is a small town, with around 1600 people, but has it's own town hall, a shop, 6 bar/restaurants, internet company, bank, post office etc, so everything for your daily living, and with the town of Sax being just 5 mins drive away, with multiple supermarkets, all your needs are met locally.
