Charming country house in Almansa with spacious structures and spectacular views

Discover this exceptional country house located in the idyllic surroundings of Almansa, perfect for those looking for a quiet life connected to nature. With 200 square meters of living space and a vast 20,000 square meter plot, this property offers endless possibilities and endless amenities. Main features of the property:

Main Structure: The main house has an open kitchen with barbecue that integrates perfectly with the living room, where there is a cozy fireplace and a gallery. In addition, it has a toilet that ensures the comfort of its occupants.

Dovecote with Potential: The second structure is a dovecote with infinite development possibilities. This space can be converted into an impressive residential area with more than 6 rooms, another independent house, or any project you imagine.

Large Garage: The third structure is a 90 square meter garage with the capacity to house between 5 and 6 cars. There is also the possibility of transforming this space into a guest house, offering even more flexibility and options for use.

Outdoor Spaces: The property includes a charming terrace, an outdoor barbecue and an incredible garden that harmoniously connects with the surrounding nature. The mountain views are simply spectacular, offering a serene and picturesque setting.

Energy and Water: The house is equipped with a Solar Kit that provides all the necessary energy, and the water is supplied by a tank, ensuring a sustainable and efficient solution.

Recent Renovations: The house was completely renovated in 2004, remaining in excellent condition and ready to be inhabited. This country house in Almansa is a unique opportunity to enjoy a rural lifestyle with all modern amenities and extraordinary development potential.
