We are pleased to introduce to the market this large renovated property only 8 km from Yecla.

The house is 400m built over two floors. The first floor has two living rooms, three bedrooms, a kitchen with pantry, a bathroom and a patio with BBQ, there is also a toilet.

The second floor has a living room with fireplace, kitchen and bathroom, the property also has a garage, ideal for extra storage.

Outside there is a swimming pool, the property has irrigation water and a seperate water deposit tank, the property has electricity.

The layout of this property is unusual but has masses of potential,
